

Town of Sandown, New Hampshire

Angle Pond Fire Station: Before and After

At Town Meeting 2002, The Volunteer Fire Department asked the voters for \$36,200 for materials to rebuild the Angle Pond substation. With the commitment of many volunteers, the building above was built using less than \$25,000 of the original request, returning over \$11,000 back to the taxpayers.

A job well done by all!

Annual Report

Fiscal Year Ending December 31, 2002

**THANKS GO TO DAVID CHENEY FOR DESIGNING THE FRONT COVER OF
THE 2002 ANNUAL TOWN REPORT.**

The front cover design is to celebrate Sandown's 100th Old Home Days Celebration
August 10,11,12, 2001.

Many years ago, Old Home Days were established in order to get together current residents and those who have moved away from town to come back each year for a celebration.

Sandown's first Old Home Days celebration began in 1901 and has grown each year.

The celebrations have grown in size and variety over the years to include bake-off contests, frog jumping races, road races, a chicken barbeque, and fireworks, ending with the traditional Church

Service at the Historic Old Meeting House followed by a roast beef dinner.

So call up an old neighbor and invite them back home to Sandown for the
100th Old Home Days celebration!

**TOWN OF SANDOWN
STATE OF NEW HAMPSHIRE**

Voting on warrant articles 1 through 24 shall be conducted by official ballot to be held on the 11th day of March, 2003. Polls will be open from 8:00 am to 8:00 pm at the Sandown Town Hall, 320 Main Street, Sandown, New Hampshire.

Article 1. To choose all necessary town officers for the ensuing year (to be voted by ballot March 11, 2003).

Article 2. Special Warrant Article. To see if the municipality will vote to raise and appropriate the sum of \$0 (gross budget) (This money will be offset by the Bond the town receives. The first payment will be due in 2004 for approximately \$0) for the construction and original equipment of a new police building and to authorize the issuance of not more than \$0 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the municipal officials to issue such Bonds or Notes and to determine the rate of interest thereon. Passage of this article shall override the 10 percent limitation imposed on this appropriation due to the non-recommendation of the Budget Committee. Not Recommended by the Board of Selectmen. Not Recommended by the Budget Committee.

Article 3. Shall the town raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$2,141,343.40. Should this article be defeated, the operating budget shall be \$1,932,244.00 which is the same as last year with certain adjustments required by previous action of the town or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

4. Special Warrant Article. To see if the town will vote to authorize the Board of Selectmen to accept, on behalf of the town, gifts, legacies and devises made to the town in trust for any public purpose, as permitted by RSA 31:19.

5. Special Warrant Article. Shall the town accept and appropriate Block Grant revenues in the sum of \$102,199.28 supplied by the State of New Hampshire for road improvement programs to be recommended by the Sandown Highway Department and approved by the Sandown Board of Selectmen. (Tax impact \$0). Recommended by the Board of Selectmen. Recommended by the Budget Committee.

6. Special Warrant Article. To see if the town will vote to raise and appropriate the sum of \$6,000 for repaving East Lane which has deteriorated to the point where plowing next year may be impossible. All work will be performed under the supervision of the Road Agent and will be inspected by a bonded engineering firm. Recommended by the Board of Selectmen. Recommended by the Budget Committee.

7. Special Warrant Article. To see if the town will vote to raise and appropriate the sum of \$109,771 for repairing and repaving Stagecoach Road which is the primary access to Sandown North Elementary School. All work will be performed under the supervision of the Road Agent and will be inspected by a bonded engineering firm. Recommended by the Board of Selectmen. Recommended by the Budget Committee.

8. Special Warrant Article. To see if the town will vote to raise and appropriate the sum of \$220,993 for repair and reconstruction of a portion of Little Mill Road. All work will be performed under the supervision of the Road Agent and will be inspected by a bonded engineering firm. Recommended by the Board of Selectmen. Recommended by the Budget Committee.

9. Special Warrant Article. To see if the town will vote to raise and appropriate the sum of \$2,068.00 for the purpose of Selective Traffic Enforcement overtime patrols, contingent upon receiving 100% Federal funding through the State of New Hampshire Highway Safety Agency. Recommended by the Board of Selectmen. Recommended by the Budget Committee.

10. Special Warrant Article. To see if the town will vote to raise and appropriate the sum of \$2,068.00 for the purpose of D.W.I. Enforcement overtime patrols, contingent upon receiving 100% Federal funding through the State of New Hampshire Highway Safety Agency. Recommended by the Board of Selectmen. Recommended by the Budget Committee.

11. Special Warrant Article. To see if the town will vote to raise and appropriate the sum of \$23,862.00 for the purpose of upgrading computer equipment and software in the Sandown Police Department contingent upon receiving a grant for 90% of the cost from the Department of Justice. Recommended by the Board of Selectmen. Recommended by the Budget Committee.

12. Special Warrant Article. To see if the town will vote to raise and appropriate the sum of \$30,268 for the purpose of purchasing and equipping a four-wheel drive Ford Explorer police cruiser for the Sandown Police Department. Costs to be offset by the trade-in of the two 1986 four-wheel drive Chevy Police cruisers. Recommended by the Board of Selectmen. Recommended by the Budget Committee.

13. Special Warrant Article. To see if the town will vote to raise and appropriate the sum of \$8,000.00 for the Annual Old Home Day celebration. The warrant article is sponsored by the Old Home Days Committee. Recommended by the Board of Selectmen. Recommended by the Budget Committee.

14. Special Warrant Article. To see if the town will vote to raise and appropriate the sum of \$0 for the purchase of a front end loader for the Highway Department. Not Recommended by the Board of Selectmen. Not Recommended by the Budget Committee.

15. Special Warrant Article. To see if the town will vote to raise and appropriate the sum of \$0 for repairs and repaving of Fremont Road. All work will be performed under the supervision of the Road Agent and will be inspected by a bonded engineering firm. Not Recommended by the Board of Selectmen. Not Recommended by the Budget Committee.

16. Special Warrant Article. To see if the town will vote to raise and appropriate the sum of \$0 for repairs and repaving of Odell Road. All work will be performed under the supervision of the Road Agent and will be inspected by a bonded engineering firm. Not Recommended by the Board of Selectmen. Not Recommended by the Budget Committee.

17. Special Warrant Article. To see if the town will vote to raise and appropriate the sum of \$0 for repairs and repaving of Hampstead Road. All work will be performed under the supervision of the Road Agent and will be inspected by a bonded engineering firm. Not Recommended by the Board of Selectmen. Not Recommended by the Budget Committee.

18. Petitioned Warrant Article. Shall we modify the Elderly Exemptions from property tax in the town of Sandown, based on assessed value, for qualified taxpayers as follows: for a person 65 years of age up to 70 years of age \$60,000; for a person 70 years of age up to 75 years of age \$70,000; for a person 75 years of age and older \$85,000. To qualify, the person must have been a New Hampshire resident for at least five (5) years, own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married for at least five (5) years. In addition, the taxpayer must have a net income of not more than \$30,000, or if married a combined net income of less than \$45,000 and own net assets not in excess of \$60,000. Not Recommended by the Board of Selectmen. Not Recommended by the Budget Committee.

19. Petitioned Warrant Article. Shall the town vote to allow the Board of Selectmen to explore establishing a "Cable TV Revolving Fund" (per RSA 35:1c) to provide for the collection and dispersal of franchise fees received by the cable carrier and other contributions which may be received from outside sources, to run a Public Access Channel. The Town Treasurer shall be the custodian of said fund with dispersal authorized by the Cable TV Advisory Board. No town monies shall be applied to this fund. Passage of this warrant article shall have no impact on the Sandown tax rate or the cable franchise fee. Recommended by the Board of Selectmen. Recommended by the Budget Committee.

20. Warrant Article. To see if the town will vote to send the following resolution to the New Hampshire General Court: Resolved, in its first two years of operation, the Land and Community Heritage Investment Program (LCHIP) has helped communities throughout New Hampshire to preserve their natural, cultural and historic resources and, therefore, the State of New Hampshire should maintain funding for LCHIP in its next biennial budget. Recommended by the Board of Selectmen.

21. Are you in favor of authorizing the Selectmen, under the provisions of RSA 231:62A to appoint the Town Road Agent beginning with the term starting at the conclusion of next year's regular Town Meeting and to increase the term to three years? This authority shall continue until changed by majority vote of a future town meeting (currently the Road Agent serves a one-year term and is elected annually). Passage of this warrant article will allow the town to hire and supervise the Road Agent. Recommended by the Board of Selectmen.

22. Shall the town vote to rescind its action to elect a Police Chief pursuant to RSA 41:47 and authorize the Selectmen to appoint the Police Chief under RSA 105:1, such authority to begin when the current term of the Police Chief expires in March 2004? Passage of this warrant article will expand the pool of potential applicants and allow the town to hire and supervise the Police Chief. Recommended by the Board of Selectmen.

23. Warrant Article. To see if the town will vote to adopt the following for an ordinance: Ordinance to read: Anyone not adhering to the rules and regulations of Seeley Beach and Park will be fined \$100.00. The rules and regulations are as follows: no unauthorized vehicles, glass containers, alcoholic beverages, animals at any time or fires. Children under 12 must be accompanied by an adult. Swim at your own risk when lifeguard is not on duty. The beach is closed from dusk to dawn. This ordinance will supercede any existing warrant articles in regard to this property. Recommended by the Board of Selectmen.

24. Warrant Article. Shall the town vote to discontinue and release the following sections of the Rangeway:

- A.** The Rangeway common to both Map 18 Lot 1 and Map 17 Lot 3,
- B.** The Rangeway between Map 17 Lot 5-4 and Map 18 Lot 1,
The Rangeway between Map 17, Lot 5-4 and Map 17, Lot 56,
The Rangeway between Map 17, Lot 5 and Map 17, Lot 6 and Map 17
Lot 7 and the Rangeway between Map 17, Lot 13 and Map 17, Lot 8

The Rangeway within the boundaries of the Town's right-of-way for Rangeway Avenue is specifically exempted from this discontinuance and release.

The purpose of this article is to declare that the town will have no remaining interest in those sections of the Rangeway referenced above for future roads and that it is the Town's intent to terminate any interest it may have in the sections of the Rangeway listed above and further to authorize the Selectmen to convey these sections of the Rangeway to the Rangeway's abutting owners if necessary in order to enable the collection of tax revenue.

- Z-1. Are you in favor of the adoption of Amendment # Z-1 as proposed by the Planning Board of the Town Zoning Ordinance?

To Amend Article I-Part B, Wetland Conservation District, Section 3 to read as follows:

"A Conditional Use Permit may be granted by the Planning Board (RSA 674:21, II) for the following uses within the Wetland Conservation District provided the Planning Board finds in writing after a duly noticed Public Hearing the following conditions have been satisfactorily addressed:

- A. Streets, roads and other access ways and utility right-of-way easements including power lines and pipelines if such location is essential to the productive use of land not so zoned and so constructed as to minimize any detrimental impact upon the Wetland Conservation District.
- B. The construction of wharves, footbridges, catwalks, fences, water impoundments and beaches after review by the Planning Board of adherence to normal construction practices.
- C. The following criteria must be met in order to grant a Conditional Use Permit:
 - 1. Dredging, filling or crossing shall have minimal impact.
 - 2. There is no other logical placement.
 - 3. Application or approval from the State Wetlands Board.
 - 4. Demonstration that this proposal best utilizes the property.
 - 5. Complete set of engineered plans must be submitted along with drainage calculations and written impact statement.
 - 6. Receipt of a favorable report from the Sandown Conservation Commission.
 - 7. Receipt of a favorable report from the Planning Board Engineer.
 - 8. Receipt of a favorable report from Rockingham County Conservation District.
 - 9. The proposed use would not diminish surrounding property values.
 - 10. Granting the Conditional Use Permit would be in the public interest.
 - 11. Granting the Conditional Use Permit would do substantial justice.
 - 12. The proposed use is not contrary to the spirit of the ordinance.
(Amended April 8, 1997)
- D. Prior to the granting of a Conditional Use Permit under this Section, the applicant shall agree to submit a performance security to ensure that all construction is carried out in accordance with the approved design. The security shall be in a form and amount, with surety and conditions satisfactory to 1) the Planning Board for site plan and subdivision application and 2) the Board of Selectmen in all other cases. The security shall be submitted and approved prior to the issuance of any permit authorizing construction.
- E. The Planning Board, after consultation with the Conservation Commission, may require the applicant to submit an environmental impact assessment when necessary to evaluate an application made under this Section. The cost of this assessment shall be borne by the applicant. The Planning Board may also assess the applicant reasonable fees to cover the costs of other special investigative studies and for the review of documents required by particular applications.
- F. Any wetlands altered in violation of this Ordinance shall be restored at the expense of the landowner(s)."

- Z-2. Are you in favor of the adoption of Amendment # Z-2 as proposed by the Planning Board of the Town Zoning Ordinance?

Amend Article VIII, Section VII, Computation of Impact Fees, subparagraph B, to read as follows:

"Fees for school facilities impact shall be based upon the type of dwelling unit. (This amendment has the effect of deleting reference to the actual Impact Fee Schedule from the zoning ordinance and delegates the authority to periodically update and revise the fee to the Planning Board. The Impact Fee Schedule shall be set forth in a fee schedule separate from the ordinance.)"

- Z-3. Are you in favor of the adoption of Amendment # Z-3 as proposed by the Planning Board of the Town Zoning Ordinance?

Amend Article VIII, Section VIII, Payment of Fee, subparagraph A (1) to read as follows:

"All impact fees shall be assessed prior to, or as a condition for, the issuance of a building permit. The fee payer at its option shall either post a cash performance security with the Planning Board to guarantee payment of the impact fee prior to the issuance of a certificate of occupancy, or the fee payer may opt to pay the impact fee prior to the time of building permit issuance."

We, hereby, certify that we gave notice to the inhabitants within named to meet at time and place and for the purpose within mentioned by posting an attested copy of the written warrant at the place of meeting within named and a like attested copy at Sandown Town Hall and Post Office being a public place in said town on January 27, 2003.

BUDGET OF THE TOWN/CITY

SANDOWN

BUDGET FORM FOR TOWNS WHICH HAVE ADOPTED
THE PROVISIONS OF RSA 32:14 THROUGH 32:24

Appropriations and Estimates of Revenue for the Ensuing Year January 1, 2003 to December 31, 2003

or Fiscal Year From _____ to _____

IMPORTANT:

Please read RSA 32:5 applicable to all municipalities.

1. Use this form to list the entire budget in the appropriate recommended and not recommended area. This means the operating budget and all special and individual warrant articles must be posted.

2. Hold at least one public hearing on this budget.

3. When completed, a copy of the budget must be posted with the warrant. Another copy must be placed on file with the town clerk, and a copy sent to the Department of Revenue Administration at the address below.

This is to certify that this budget was posted with the warrant on the (date) _____.

BUDGET COMMITTEE

Please sign in ink.

Marie J. Buckley Chairman

Joseph H. Harkin

Heath Perry

Dan M. O.

Angela Sherwood

THIS BUDGET SHALL BE POSTED WITH THE TOWN WARRANT

FOR DRA USE ONLY

SANDOWN BOARD OF SELECTMEN ANNUAL REPORT

Throughout 2002, the Board dealt with issues that reappeared again and again on meeting agendas. One of these was the revaluation which is in its final phases. Since revaluations are not commonplace, we found it as difficult as other residents to understand the process. The Board members met with the revaluation company, Vision Appraisal Technologies and representatives from the Department of Revenue on several occasions to iron out the conditions of the contract in order to keep the revaluation on schedule. The town's Assessing Clerk, Tim Warren, has met with many residents to answer questions and explain the reasons for increases in assessments. DRA representative, Tom Welch, visits the office on a regular basis to ensure that Vision Appraisal is following the procedure dictated by the town's contract with the company.

The Board has held several public hearings regarding town-owned waterfront properties in order to determine the best use of these properties for all residents. We anticipate that at least one more meeting will be held in March or April and we invite interested taxpayers to attend.

Several employees left their positions in 2002 which means that new faces will be seen in some of the town offices and at the Library. We wish these former employees the best and welcome our new employees on board.

Sandown has grown substantially in the past year and it is anticipated that it will continue to grow at a rapid rate because of the characteristics that drew most of us here. The town has much to offer new residents and this is why Sandown has become so desirable to those from other towns as well as other states. As the town increases in population, the demand on municipal services also increases. We ask for residents to be patient since we will all be suffering from "growing pains" for the next few years. The town's employees and officials will do their best to answer concerns in a timely manner.

The National Flood Insurance Program was accepted by the voters in 2002 and has been initiated within the town. This enables residents who need flood insurance to be able to obtain it at a more reasonable cost.

Members of the Board have been meeting with Selectmen from other communities as a part of the Regional Selectmen's Committee. These meetings are designed to benefit all of the towns involved since each Board brings with it experience and knowledge of how its town has dealt with problems in the past. We hope that Sandown will learn from other towns and that we will be able to impart our experiences in order to help our neighboring communities. Sandown will host the next meeting in late March.

In summary, 2002 has been an extremely busy year which has brought with it a myriad of new issues to deal with. As in past years, a new Selectman will be elected in March and the town will say good-bye to Chairman Arthur Genualdo. We wish him the best and hope that he has benefited from his time as Selectman as we feel that we have benefited from his help as a fellow Board member.

This year has begun with concerns for the future but without the fear that 2002 brought with it. We hope that 2003 will give residents an appreciation for living in a small New Hampshire town to which we can all escape at day's end. Take time to visit some of the landmarks here such as the Depot Museum and the Old Meeting House since a quiet moment in these buildings puts things in perspective. Enjoy the camaraderie of our Old Home Days celebration in August since the festivities give residents an opportunity to know their neighbors. In closing, we hope that we can be of service to you and that we get to know more of you as friends.

Respectfully,

Arthur Genuardo, Chairman

Angela Sherwood

Russ Collins

Sandown Planning Board Annual Report 2002

During the past year, much has changed with the Sandown Planning Board. In January, our long term Chairman, Lee Wilmot, resigned after spending 17 years with the Board. In March, long time members Vicki Wilson and Donna Fugere decided not to seek another term. Ted Winglass, Dawn Bridges and Shawn Raposa joined the Board as regular members and Russ Collins joined the board as Ex-Officio member. In April, Vicki Wilson returned to fill a vacant position and Rhonda Hendry-O'Hearn joined the board as an alternate member.

Averaging 2 meetings per month and numerous weekend site walks, the Planning Board has reviewed several residential subdivisions, one elderly housing subdivision, home occupations, lot line adjustments, non-residential subdivisions, excavations, non-residential site plan reviews and a variety of questions pertaining to development within the community. Despite the case load, the Planning Board has tried to give priority to devoting one meeting a month to planning issues such as to update the Capital Improvement Plan, Master Plan, regulations and Community Profile. Examples of the accomplishments are as follows:

The board moved quickly and completed the revision and adoption of the Methodology of the Implementation of Impact Fees with the help of Bruce Mayberry. This methodology is the basis on which the assessment of the impact fee is based upon. As a result of this update, two Zoning Ordinance amendments are being proposed.

As Spring approached, the Board adopted the necessary Site Plan Review Regulations and Subdivision Regulations to enact the long awaited Flood Insurance Program. These regulations now guide the board and applicants on appropriate places to build, so that the impact of floods are very much minimized. Additionally, with the inception of this program, residents who live within the flood district areas are able to purchase federally subsidized flood insurance for their properties.

The Board during the Summer and Fall were busy revising Subdivision Regulations. Some of these amendments included recreational facility buildings in elderly housing complexes and a complete revision of the road inspection process in order to work more efficiently with the Town Engineer's recommendations. The board also adopted changes to the Non-Residential Site Plan Review process regarding the review of home occupations to make this process less cumbersome.

This Winter, the board has reviewed and proposed Zoning Ordinance amendments to include the following:

- A. To amend Article I-Part B, Wetland Conservation District, Section 3 to allow the Planning Board to issue a conditional use permit after it finds in writing after a duly noticed public hearing that certain conditions have been met. The intent of this amendment would allow for the same review procedure as before, but placing the review procedure under the jurisdiction of the Planning Board.
- B. To amend Article VIII, Section VII, Computation of Impact Fees, subparagraph B, to assess the school facilities impact based upon the type of dwelling unit. (This amendment has the effect of deleting reference to the actual Impact Fee Schedule from the zoning ordinance and delegates the authority to periodically update and revise the fee to the Planning Board. The Impact Fee Schedule shall be set forth in a fee schedule separate from the ordinance.)

- C. Amend Article VIII, Section VIII, Payment of Fee, subparagraph (A) to assess the impact fee at the time the building permit is drawn and payment may be made by posting a cash performance security with the Planning Board with receipt of payment when certificate of occupancy is issued or cash payment when building permit is issued.

We ask for your support in these proposals.

The Planning Board still has pending litigation with regard to the lawsuit challenging the Growth Management Ordinance and Impact Fee Ordinance. A complex set of legal interrogatories were completed in March, 2002 with an original hearing of the suit scheduled for April, 2002 in Rockingham Superior Court. This hearing was re-scheduled until September, 2002. However, due to several other cases pending on the same or similar matters, the hearing date has been continued. The table below reflects what has been collected in 2002 for Impact Fee Payments.

Impact Fee Beginning Balance: 1/2/2002	Impact Fees Collected in 2002	Interest Earned in 2002	Impact Fee Ending Balance: 12/31/2002
\$158,109.37	\$214,760.00	\$3,704.64	\$376,574.01

Please note that since the inception of collecting Impact Fees, \$101,000 was withdrawn in 2000 and \$4,000 was withdrawn in 2001.

Administratively, the Planning Board maintains the Professional Review Escrow account and tracking of over \$2 million in road construction sureties and impact fee payments. Upgrades to these systems have occurred during 2002 to enable more efficiency.

Goals already set for 2003 include the update of the Master Plan which was last completed and adopted in 1995. Due to the complexities of updating a Master Plan, the Board has requested \$10,000 for this update which would include the hiring of professional assistance. Public input and assistance is needed for this project. The board's initial goal is to re-write 3-4 chapters and adopt them during 2003. If you are interested in helping with this project, please contact the Planning Board Office at 887-6085 or email at sandownpb@juno.com.

Additionally, the Planning Board has received approval from the Board of Selectmen to initiate a Community Profile program with the assistance of UNH-Cooperative Extension. The purpose of the Community Profile is to learn how Sandown's citizens view present and future community issues related to: Effective Community Leadership; Informed Citizen Participation, Sense of Community; Fostering Healthy Families; Individuals and Youth; Lifelong Education and Learning; Community Services, Facilities and Utilities; Recreation and Cultural Heritage; Working Landscape and the Natural Environment; Economic Vitality; and Growth and Development. The focal point of the process is a day and a half event to discuss and work on each of the topics mentioned above. Outcomes of the Community Profile are re-energized community spirit, increased citizen participation and involvement, community defined projects and action groups, and a complete record of the events. The Planning Board is enthusiastic about this project as several of the discussion groups directly relate to Master Planning and will result in direct impact on the re-written Master Plan. We are seeking citizen and community involvement of a cross-section of our community to participate. The planning process of this event is expected to be four to six months long. The Planning Board is seeking volunteers for this event. If you are interested in helping with this project, please contact the Planning Board Office at 887-6085 or email at sandownpb@juno.com.

ZONING BOARD OF ADJUSTMENT 2002 REPORT

During the past year, the Zoning Board of Adjustment has had many changes. There have been additions and subtractions to the membership of the Board. The scope of the cases that this Board usually sees changed. Moreover, the manner to which the Board tries to conduct itself has undergone radical improvements. All of these items have made for a very challenging year that the current members have worked to deal with.

Since the last town report, the Chairman's position has altered. The previous Chairman, Russ Collins, ran for Selectman and won the seat. In winning, the position of Chair changed putting Russ into the position of Alternate Member. I would like to thank Russ for the immense effort he gave as Chairman. His shoes are difficult to fill. We have lost one member, Jim Devine, and gained two new members, Ellen Michael and Steve Meisner. Lastly, we have had a change in the position of Executive Assistant for the Board. Lori Aubrey, whose work in the past matched anyone employed by a Fortune 500 company, was replaced by Laura McLaughlin. Even though Lori's shoes were also hard to fill, Laura made a smooth transition. I look forward to working with these new members along with the current members, Ken Sherwood, Don Stockman, Dan Lane, Doug Martin and Selectman Collins.

There have been some major cases in the last 365 days. Sandown is staged to expand greatly with the number of proposed lots. There have been plans for a senior citizen park located off North Road along with a number of small home businesses started. Over the last year, the Board has decided on 15 special exceptions and 19 variances. There have been changes in the structure of cases heard. This relates to the Board being better informed, asking the right questions and knowing that our responsibility is to the town's and homeowner's best interests. We are all volunteering our time to perform this duty and it is performed to the best of our abilities.

In the past, it was not unusual for our meetings to run to midnight or beyond. Being volunteer positions, it is very hard to get new members, let alone retain them. We have tried to keep the cases shorter without impeding on anyone's right to talk rather keeping the meeting on track with the only goal being that a fair decision is made. Members of the Board are trying to visit properties to get a better understanding of how the property in question relates to the surrounding environment. We have a more stringent method of reviewing cases designed to verify that information needed to make an informed decision is available on the night that the case is heard.

Towns can change over time. Some change in size, others in focus. Sandown has done both. The Zoning Board has met the challenges of the last year fairly and honestly. We look forward to the cases of tomorrow. They will be a part of what Sandown will become in the future.

Respectfully submitted,
Arthur S. Arena
Chairman, ZBA

SANDOWN CABLE TELEVISION ADVISORY BOARD 2002 ANNUAL REPORT

The Sandown Cable Television Advisory devoted its efforts in 2002 to planning and implementing the new Sandown Local Access Television Station, Channel 17.

As we go to press with the Town Report, our Board is working with Comcast, the successor to AT&T Broadband, to begin broadcasting. The first broadcasts to be seen on Channel 17 will be a community bulletin board, available to all Town organizations to post upcoming events of interest to Sandown viewers. The second phase will be broadcast of edited programs, both new and old. Third will come live broadcasts. By the end of 2003, Sandown viewers should be able to watch Selectmen's meetings, Town Meeting, and other public hearings live. And most importantly, all Sandown residents will have the opportunity to produce their own television shows.

With the new dedicated channel, local producers will be able to create and broadcast shows on nearly any topic of local interest. Local access programs throughout the country cover such diverse areas as youth sports, local history, antique cars, social and civic events, local personalities, recreation, candidates' forums, and religion. Future programs are limited only by your imagination.

Community involvement is essential. We will continue to need your help. When the new channel is ready to broadcast, we will host a seminar on TV production. For those interested in producing shows, our Board will provide training and assistance.

Several openings exist on the Cable TV Advisory Board, and we invite residents to apply. The Board serves as liaison between Sandown subscribers and Comcast, and we handle other customer issues. If you have a problem with cable service, which is not resolved by Comcast, or if you are interested in getting involved with cable TV, please call Tom Gainan at 887-2897.

Respectfully Submitted,

Tom Gainan, Chairman

REPORT FOR 2002

2002 HAS SEEN APPROXIMATLY AN 18% INCREASE IN THE TOTAL NUMBER OF BUILDING PERMITS ISSUED THIS PAST YEAR. AN INCREASE IN THE NUMBER OF SINGLE FAMILY DWELLINGS WAS OBSERVED AS 63 WERE PERMITTED IN 2002. BETWEEN 93 AND 95 WE AVERAGED 61 NEW HOMES PER YEAR.

THE RETIREMENT COMMUNITY OFF OF NORTH RD. HAD 8 HUD UNITS PERMITTED LAST YEAR. NONE OF WHICH HAVE BEEN OCCUPIED YET. THIS COMMUNITY IS LIMITED TO 55 AND OLDER.

THE LONG AWAITED "CELL TOWER" HAS FINALLY BEEN STARTED. ITS COMPLETION SHOULD BRING WELCOME RELIEF TO THOSE WHO HAVE COME TO UTILIZE, IF NOT DEPEND ON CELL PHONES.

AS ANYONE WHO HAS TRIED TO HIRE A CONTRACTOR THIS PAST YEAR KNOWS, MOST OF THE AREA TRADESMEN WERE STILL QUITE BUSY UNTIL WE HAD OUR EARLY AND LINGERING SNOW FALL AND LOWER THAN NORMAL TEMPERATURES.

BUILDING PERMIT HISTORY

	1992	1993	1994	1995	1996	1997	1998	1999	2000	2001	2002
SFD	55	62	66	33	23	33	22	20	17	61	63
ADDITIONS	106	102	83	70	85	86	89	83	123	124	138
REMODEL	35	28	44	27	49	39	42	50	27	34	51
OTHER	34	17	22	15	21	5	6	13	22	17	28

SFD = SINGLE FAMILY DWELLING

OTHERS = HUD HOMES, RENEWALS, DEMOLITION PERMITS, ETC.

BUILDING INSPECTOR/CODE ENFORCEMENT

TOWN OF SANDOWN

HEALTH DEPARTMENT

320 Main Street

Sandown, New Hampshire 03873

Incorporated 1756 Tel: (603) 887-3646

2002 REPORT

THE SANDOWN BOARD OF HEALTH CONSISTS OF THE BOARD OF SELECTMEN AND THE TOWN HEALTH OFFICER, WHO IS APPOINTED BY THE STATE. THE HEALTH OFFICER'S PRIMARY DUTIES INCLUDE THE REVIEWING OF SEPTIC PLANS PRIOR TO SUBMISSION TO THE STATE FOR APPROVAL, INSPECTION OF BED BOTTOMS, FINAL INSPECTION OF COMPLETED SYSTEMS, AND INVESTIGATIONS OF SUSPECTED FAILED SYSTEMS. DAY AND FOSTER CARE INSPECTIONS, HOUSING COMPLAINTS, AND REGULAR TESTING OF PUBLIC BATHING AND DRINKING WATER ARE ALSO PERFORMED.

AGAIN LAST YEAR WE RECEIVED OUR SHARE OF CALLS REGARDING WEST NILE VIRUS. GENERALLY "CORVIDS", CROWS AND BLUEJAYS ARE THE ONLY LOCAL BIRDS CAPABLE OF ACTING AS THE HOST FOR THIS MOSQUITO BORNE PATHOGEN. WE HAVE TO REALIZE THAT SONGBIRDS DO DIE NATURALLY OR ARE HIT BY CAR GRILLS AND FOUND ON THE SIDE OF THE ROAD. NOT EVERY DEAD BIRD IS A CAUSE FOR ALARM.

I WOULD LIKE TO ENCOURAGE ALL RESIDENTS WHO HAVE NOT HAD THEIR WATER TESTED RECENTLY TO DO SO. THE STATE DEPARTMENT OF ENVIRONMENTAL SERVICES CAN RUN THE BASIC TEST VERY INEXPENSIVELY, AS WELL AS TESTS FOR VOLATILE ORGANIC COMPOUNDS (VOC'S), LEAD, ARSENIC AND RADON. A BASE LINE TEST IS HIGHLY RECOMMENDED. WE HAVE THE BOTTLES AT THE TOWN HALL FOR THOSE WISHING TO SEND SAMPLES TO THE STATE LABS.

PLEASE CALL 867-6085 IF YOU HAVE CONCERNS THAT THE HEALTH OFFICER MAY HELP YOU WITH.

RESPECTFULLY SUBMITTED,

KENNETH W SHERWOOD

Report of the Sandown Sanitation Department Transfer Station.

In the past year, 2002, we have seen more changes at the transfer station. This year we are trying to improve our recycling area. As you enter the facility, recyclers will go to the left and enter the recycling area first, then proceed to the compactors and the bulky items area. The new recycling area contains two co-mingle containers for bottles, cans, and plastic, a newspaper container as well as a container for cardboard, paperboard, and mixed office paper. Our new container for cardboard materials is a great success. All of this material is recycled at no charge to the town. Next year when we are no longer under contract with Waste Management for newspaper disposal, we will be able to enjoy a revenue for disposal of newspaper. One of the biggest concerns of the recycler is how to re-enter the line for the compactors. We are addressing this by having lanes 1 & 2 reserved for the recycling traffic. These "express lanes" can also serve as an incentive to convince those waiting in line, if they recycle, they too can take advantage of the "express service"

The State of New Hampshire gives the town a permit to operate the transfer station. As operators of the transfer station, we must adhere to the many rules and regulations the State mandates. These rule changes are not made by the operators or manager of the transfer station, but are mandated by the state and must be followed by the operators of this transfer station or we will lose our permit to operate. Please do not argue or discuss your objections to these new regulations with the operators. They cannot make any changes, only follow the orders of the state. Getting upset with the operators over these changes does not help the situation, it only makes it worse. Please understand we are trying our best to implement the changes with little or no impact.

Our biggest challenge is trying to combat illegal entry and dumping at the facility. Many times we had come to open the facility to find that someone had entered the facility when we were closed and dumped items either in the wrong place or dumped items that we can no longer accept. This problem came to a head this summer when someone entered the site in the off hours and illegally dumped non-burnable wood into the brush pile. The very next day we were visited by the State DES with a surprise inspection. Upon inspection, the DES saw the non-confirming materials in the burn pile and cited us with a cease and desist order. We then had to hire a contractor to clean out the burn pit of all ash materials. This cost the town over \$4,000.00 in labor, materials and disposal of the old ash. We are now allowed to burn brush only, no wood at all.

State regulations are very strict in regards to disposal of trash. The "old days" of the dump are long gone. It is imperative that you follow the instructions of the custodians at the transfer station so that this facility is running properly. The State constantly inspects our facility to insure we are complying. Please be patient and cooperative. If you are not sure how to dispose of something, please ask any of the custodians. If we witness something that is being disposed of incorrectly, the custodians are obligated to correct the situation. The town can get in serious trouble if something is disposed of incorrectly, so your cooperation is greatly appreciated.

Respectfully,

David Cheney
Head Custodian

Helen LoPresti, Assistant Head Custodian
Les Norwood Sr., Assistant Head Custodian
Les Norwood Jr., Custodian
Shaun Brooks, Custodian
Vinnie Umbrianna, Custodian

2002 CEMETERY REPORT

Appropriation	\$1000
Detailed statement of disbursements	
Blue Seal Feeds	\$212.67
Dodges	\$61.90
Flagworks	\$192.00
Bank fees	\$81.60
EQUIPMENT REPAIR & MAINTENANCE	
Strandell Power&Equipment	\$27.50
SITE REPAIR & MAINTENANCE	
Irving Bassett-Mowing & Trimming	\$424.33
Total Disbursements	\$1000

Lots can be purchased by contacting any of the trustees. The current price for residents, \$200 for a single grave site. One half of the purchase price goes to the Cemetery Maintenance Fund, the balance is for perpetual care.
This is to certify that the information contained in this report is correct to the best of our knowledge.

RECREATION COMMISSION REPORT

The Recreation Commission achieved many of our goals for the year. Our continued efforts to provide a quality summer recreation program resulted in a 23 percent increase in enrollment from the previous year. The Summer Recreation Director, Rebecca Brown, 10 counselors and 2 Counselors-in-Training provided craft, music, and sports activities at Roy L. Miller Recreation Field and water activities at Seeley Park for six weeks in July and August. Field trips were provided weekly and were offered to those enrolled in the summer recreation program and to all children throughout the town. Trips were organized to Canobie Lake Park, Joker's Arcade Center, Water Country, New England Aquarium, Chunky's Movie Theater and the Franklin Park Zoo.

The concession stand at Miller Recreational Field, built as an Eagle Scout project by Dan Ryan, is now actively utilized by the Recreation Commission and is also used by other groups such as the Sandown Baseball & Softball Association. It was a great asset during Old Home Day in August.

Sandown residents enjoyed our recent improvements at Seeley Park. Our three lifeguards did a superior job of patrolling the beach and providing a great place for residents to enjoy our town beach. Morning and evening swim lessons were provided for approximately 40 children. Residents may have noticed our new sign providing a place for information concerning use of the beach. A recreation commission member expertly built the new sign. The Recreation Commission would like to thank the Sandown Police Department for assisting our lifeguards in keeping our beach a safe environment for all.

After several years of discussion regarding the viability of a skateboard park in Sandown, the Recreation Commission decided to build a skateboard park at Miller Recreational Field. After the pavement was completed, the Coliseum Skateboard Team held a skateboard demonstration and a fundraiser was held to provide equipment for the park. Despite a rainy day, 200 people came to support the park and help raise \$1350.00. The skateboard park provides a space for youth in Sandown to convene and eliminates the previous danger of children skateboarding in unsafe locations.

Two major activities were held for our Sandown senior residents this year. A fall foliage trip was organized through Maine and the seniors enjoyed a lunch at Dunstan School Restaurant in Scarborough Maine. In November, we had a successful Senior Luncheon at the Vic Geary Center in Plaistow. There was a 64% increase in participants and a local band, the American Flyers, provided bluegrass music while everyone enjoyed a turkey dinner.

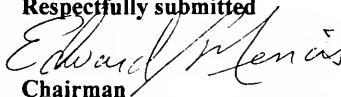

Among the annual programs organized by the Recreation Commission this year were trips to: 2 Red Sox games, New England Flower Show, 4 Foxwoods trips, Disney on Ice, Barnum & Bailey Circus, Yankee Candle/Bright Nights Tour. Tickets were provided for the Bill Cosby Show at the Whittemore Center at UNH, Boston Symphony Holiday Pops at the Verizon Center in Manchester. Workshops were also held at the Sandown Town Hall for rubber-stamping, scrap booking and a spring flower workshop.

In addition to these annual programs, the Recreation Director coordinates with many departments and groups under the auspices of the Recreation Commission. Some of these responsibilities include the scheduling of activities at Town Hall, Miller Recreational Field, coordination with the Sandown Baseball & Softball Association, Timberlane Youth Soccer League, and the Sandown Old Home Day Committee.

We would like to thank the many volunteers who assisted us in recreational programs such as the Sandown Mothers Club that assisted us with the Senior Luncheon. Thank you to the many parents that provided valuable assistance as chaperones on our field trips.

The Commission extends its thanks to the town departments who have been so helpful in meeting the recreational needs of Sandown. Current Commission members would welcome new members in the coming year. Please feel free to contact the Commission members or write to the commission with ideas for our future.

Sandown Public Library

The Sandown Public Library was a busy place over the past year. We had 25,910 visitors and circulated 31,395 titles. We continued to welcome new library users throughout 2002.

Once again, the library had a successful summer reading program "Lions, Tigers and Books...Oh My" with over 4500 books read during the summer months. Participation in library programs remains strong. Over 4000 patrons attended the many events offered throughout the year, including the monthly book discussion group "Books & Bites", story hours, craft classes, Chess Club, and Family Night events.

The library has had some staff changes over the past year. In July, the library said good-bye to Heidi Traeger, Director since 1997. The library extends its sincere appreciation to Heidi for her years of service. Also, Library Page Harry Lund, left in October. Diane Heer joined the library as Director in September, and Brittany Lins joined as Library Page in November.

The adult fiction and non-fiction collections have outgrown the available shelving space. To make room for new titles, the staff started weeding the collection in the Fall. All titles removed will be placed in the book sale room, operated by the Friends of the Library.

The New Hampshire State Library installed a new statewide catalog and inter-library loan system (NHU-PAC) in December. The Sandown Public Library is an active participant in inter-library loaning. We requested 615 titles for our patrons from other libraries within the state, and we loaned out 287 titles from our collection to other libraries. Library patrons have access to a new database, Ancestry Plus, free of charge. Ancestry Plus is a genealogy tool with birth, death, and other vital records.

The library staff is extremely grateful to the Friends of the Library for their support over the past year. After months of planning, a new library sign was installed in July. In November external lighting was added to the sign and the flag pole is now illuminated from dusk to dawn. Some additional internal lighting was also installed in the Children's Room. As you pass by the library, you will no doubt notice the beautiful sign with announcements of upcoming programs and events being offered.

Due to the generous support from the Sandown Lions Club, Sandown Mother's Club, Old Home Day Committee, Sandown Rogue Runners, and the Friends of the Library, we were able to offer passes to the Museum of Science (Boston), Strawberry Banke, Currier Gallery of Art, and Canterbury Shaker Village. Their generosity also supplemented our children's program funds, which allowed the library to offer more programs throughout the year.

We are grateful to all our volunteers for their continued dedication and support.

Respectfully Submitted,

Diane M. Heer

2002 Sandown Conservation Commission Yearly Report

The Sandown Conservation Commission held their sixth annual fishing derby in May 2002. The derby was held once again at the property of Sal and Sheila Genualdo, and we wish to thank them again for the use. There were more than 100 children under the age of 12 who participated.

The Sandown Girl Scout Junior Troop 299 did their yearly cleaning of the Exeter River, and the Sandown Conservation Commission donated lunch to thank the troop for their efforts.

This year saw the resignation of a valuable member of the commission. Jane Neskey resigned from the Sandown Conservation Commission and we greatly miss her knowledge and dedication.

The Sandown Conservation Commission has received a grant to work with Rockingham Planning Commission. The groups will work together to develop wetland setback, investigate consultant fees and developing a program to enter land into a conservation easement and who would hold the easement.

Because of the grant, the Sandown Conservation Commission has asked the Board of Selectmen to give them a chance to investigate the three parcels of land from the 2001 warrant articles prior to anything being done with the land. The Sandown Conservation Commission is only interested in protecting the open space and giving our families a place to enjoy the wildlife.

The Sandown Conservation Commission would like to thank the citizens of Sandown for supporting the 2002 warrant article for the increase of Land Use Change Tax being given to the Sandown Conservation Commission. These fees will allow the Sandown Conservation Commission to selectively purchase land and protect more open space in Sandown.

The Sandown Conservation Commission has been working with Jeff Orchard, an Environmental Consultant, who has been extremely valuable in assisting with issues before the commission. Jeff's report is included.

Respectfully submitted,

Cheryl Cronin, Sandown Conservation Commission Chairman

Membership roster:

Brian Butler
Heidi Chaput
Sal Genualdo
Mark Traeger
Russ Collins – Selectman Liaison

The year 2002 was a busy year for the Conservation Commission, and an important one for all residents of the Town of Sandown. Several large development projects were brought to the Commission, which proposed the creation of a large number of house lots on large tracts of land, some in environmentally sensitive areas. The Commission was active in providing oversight and review for the plans, making recommendations to the planning board where appropriate, in order to mitigate some of the impacts of these large projects. The work of the Commission resulted in the creation of buffer areas along the Exeter River on one of the projects, and a reduction in the amount of fill on several others, resulting in substantially lowered wetland and waterway impacts within the town.

Additionally, the Commission has investigated several complaints of illegal work within wetlands and water bodies in town, and is working closely with the NH Dept. of Environmental Services, Wetlands Bureau, to resolve the issues raised in these cases.

Sandown is under tremendous development pressure at this time, as more and more people seek the way of life promised by small town New Hampshire. The downside is that as the demand rises, it becomes more attractive for large landowners to sell off their holdings to a developer to satisfy the demand for house lots. The reduction in open space can be dramatic over just a few short years, and Sandown will face increasing pressure on its remaining open space when the Rt. 1-93 widening project is completed, which will allow easier access to the employment centers in Massachusetts.

The residents of Sandown will have some very difficult choices to make in the coming years which will have a tremendous effect on the quality of life they will enjoy. I urge all residents to consider the requests of the Commission carefully, both budgetary and regulatory, and offer support where they are in agreement. Residents are also encouraged to attend the public meetings of the Commission, and to volunteer their time to the Commission as a member perhaps, or to conservation projects and activities which benefit the entire town.

As always, I have enjoyed working with the Commission and Town Officials over the past year, and have become acquainted with many residents in town who are supportive of the work of the Commission. I look forward to another year of serving the community.

Respectfully submitted,

Jeffrey C. Orchard
Environmental Consultant to the Town of Sandown

FIRE DEPARTMENT

TOWN OF SANDOWN

PO BOX 1756, SANDOWN, N.H. 03873

SANDOWN FIRE DEPARTMENT REPORT FOR 2002

The year 2002 was busy as well as interesting. The number of calls is still on the increase. The actual number of structure fires has been less and the same can be said for chimney fires. However, the overall number of calls has increased due to vehicle accidents, fire alarm activations, service calls and brush fires.

The line item for training was overspent due to more people willing to attend classes for firefighter training. This willingness to train is always a plus for the department. The line item was covered by adjusting other sections of the budget. Nextel phones were added for Fire and Rescue officers. We find these very helpful as we are able to contact Police and Recreation personnel as well.

We have had many new members come on board this year even though there has been a lot in the news about other departments finding it hard to get new members. So far, this is not the case in Sandown. We are lucky to have so many dedicated people on the Sandown Fire and Rescue who put in many hours of training and responding to calls.

Our Fire Prevention programs in the public schools and private kindergartens have been great thanks to Dave Cheney and Dennis Giangregorio and their helpers.

The most gratifying part of 2002 was the rebuilding of the Angle Pond Fire Station. The voters appropriated \$36,200 to replace the old station which was originally built in 1947 and has been a safety concern for the last few years. We were able to get a lot of help from within the department and several people not involved with the department to make this volunteer effort a huge success. The new building is completed inside and out and has a new hot-topped driveway.

I am proud to say that, in Sandown, we can still take a group of volunteers and "get it done"!

The total cost of the project was \$24,790.67 which means that we will return the balance of Warrant Article #6 (\$11,409.33) to the General Fund to help offset taxes in the year 2003.

A big thank you to Chris McIntosh and Jerry Lachance for all of the extras! A great job was completed by a great group of volunteers.

In closing, I would like to report that the two days a week paid position for the Fire Chief is working out well and has made the job much easier. The year 2002 ended as a success because of all of the dedicated people involved in this Fire and Rescue unit.

Thank you,

A handwritten signature in cursive script, appearing to read "Irving Bassett".

Irving Bassett
Fire Chief

SANDOWN POLICE DEPARTMENT
TOWN REPORT
2002

This past year, 2002, has been very busy for the Sandown Police Department. The increase in population and the problems, which plague every city and town around us, made an impact on our activity. There was an increase in serious and more dangerous crimes. Our arrests increased by 30 percent.

We had several arrests, 6 of which were felonies. The arrests consisted of two for Distribution of a Controlled Substance, one for Possession of Heroin, two for Felony Burglary in the night-time (by career criminals) and two arrests for Armed Robbery of our Country Store. Officers Kelley and Morrow should be commended on their diligence in their investigations and devotion and courage in dealing with these serious incidents. I am proud of them.

Other crimes and investigations dealt with several sexual assaults, credit card fraud, 2 fatal Accidents, criminal restraint and child pornography.

Our Explorer Program continues. They held successful fundraisers this year to offset the cost of their uniforms and training for the future. If you know a person between the ages of 14 to 21, who may be interested in making law enforcement a career, we would welcome them to join our Explorer Program. Those interested can contact either Corporal Harvey or Corporal Sable for more information.

The D.A.R.E. program, taught by Sgt. Roy has completed a third year at the Sandown Central School. Sgt. Roy realizes the reality that some children will be tempted by peer pressure to experiment with drugs as they enter the higher grades. However, she hopes the D.A.R.E. program will deter them in some way.

Corporal John Sable who was deployed, for thirteen months, by the New Hampshire Air National Guard regarding the War on Terrorism, has returned. However, the possibility of him being re-deployed is a strong possibility. Both Officer Sable and Officer Donald Harvey were promoted to the rank of Corporal in October.

Special Thanks to Corporal Sable for not only his dedication as a Police Officer but to his dedication to continued efforts in protecting the United States of America.

I want to thank my officers for their dedication and hard work. I would also like to thank the townspeople for their continued support.

Sincerely
Scott Currier
Chief of Police
